**TURN YOUR NEW NORMAL BIG LIFE INTERVIEW INTO POWERFUL GLOBAL EXPOSURE.**

A feature on the *New Normal Big Life* podcast focused on functional medicine, holistic health, and resilience comes with exciting perks. As the Health & Wellness Columnist for **Culturs Magazine** (reaching 1–2 million engaged readers and viewers across digital, print, social, and YouTube), I can expand your interview into a broader feature that delivers targeted exposure in more than 200 countries.

This multi-platform amplification helps your message reach a diverse, wellness-minded international audience far beyond a single podcast episode. View Culturs Magazine’s complete media kit here:
